

It's a Night time Thing

I eat dinner, brush my teeth,
drink water – *a/ways* drink water.
(It's hard to sing when you're thirsty.)
Then I start.
I sing different songs,
Ophelia, **, Red,
me and Ruby do competitions with no losers –
(everyone's a winner).
Maybe I'll be a singer when I'm older.
Like Sabrina Carpenter, but
I'll actually show up on time to my concerts.
