We are excited to announce that our teaching and support team is growing!

Pilgrim Pathways School is an Outstanding alternative provision educating children and young people across four hospital centres based in Fulbourn and Addenbrooke's Hospital.

Pilgrim Pathways School is currently going through some very exciting developments - including a recent name change (formally Pilgrim PRU), new branding and recruitment of a number of new positions. This is a very exciting time for our dynamic and unique school, and for you to join us on our continued journey of delivering excellence in hospital and SEND education.

We are seeking a resilient, enthusiastic and dedicated Learning Mentor to work in partnership with our Teachers in Charge and specialist teachers to support and enable young people within our school. This is a brand new role and will be based on the Ida Darwin site. The role will involve working across our three Tier 4 centres and supporting young people from KS2 – KS5.

- Are you able to inspire and engage young people?
- Are you flexible, creative and enterprising?
- Can you remain calm and patient whilst being challenged?
- Are you a team player with a sense of humour?

The role of Learning Mentor enables students to work towards overcoming social, emotional and learning difficulties which act as barriers to learning. They bridge academic and pastoral support roles ensuring that individual pupils and students participate more effectively in their own learning and prepare them well for adult life and independent living. The barriers to learning can be wide ranging and often very personal to the individual pupil. Learning Mentors help to support in overcoming these issues and help them to address what it is that is getting in the way of their learning.

The successful candidate will be joining our team of passionate, skilled and friendly practitioners who are committed to providing high quality learning opportunities to young people during their time at the Pilgrim Pathways School.

You will need to have an unconditional and positive regard for the well-being of the young people, have a friendly and patient approach and promote the inclusion of all pupils ensuring they have equal access to opportunities to learn and develop.

We offer:

- An opportunity to work in a unique educational setting

- A chance to work within a multi-disciplinary team
- A learning community with a strong commitment to CPD
- A dedicated and supportive staff team
- A committed and supportive management committee
